SECTION 4. IC 22-4-2-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14. ~~Except as provided in IC 22-4-5-3,~~ "Week" means a calendar week.

SECTION 5. IC 22-4-2-32 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 32. "Payment in lieu of contributions" means the required reimbursements by employers of benefits paid attributable to services performed for such employers which are liable to make these payments as provided in IC ~~1971~~, 22-4-10-1. ~~of this article.~~ These payments shall equal the full amount of regular benefits and ~~one-half (1/2) of the extended benefits part of~~ **benefits not reimbursed by the federal government under the**

Federal-State Extended Unemployment Compensation Act of 1970

paid ~~as~~ **that** are attributable to services in the employ of such liable employers.

SECTION 6. IC 22-4-2-34 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 34. (a) With respect to benefits for weeks of unemployment beginning after August 13, 1981, "extended benefit period" means a period which begins with the third week after a week for which there is a state "on" indicator and ends with **the later of the following**:

(1) The third week after the first week for which there is a state "off" indicator. ~~or~~

(2) The thirteenth consecutive week of such period.

(b) However, no extended benefit period may begin by reason of a state "on" indicator before the fourteenth week following the end of a prior extended benefit period which was in effect with respect to this state.

(c) There is a state "on" indicator for this state for a week if the commissioner determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve (12) weeks, the rate of insured unemployment (not seasonally adjusted) under this article:

(1) equaled or exceeded one hundred twenty percent (120%) of the average of such rates for the corresponding 13-week period ending in each of the preceding two (2) calendar years; and

(2) equaled or exceeded

(A) with respect to benefits for weeks of unemployment beginning before September 25, 1982, four percent (4%); and

(B) with respect to benefits for weeks of unemployment beginning after September 25, 1982, five percent (5%).

However, with respect to benefits for weeks of unemployment beginning after December 31, 1977, the determination of whether there has been a state "on" or "off" indicator beginning or ending any extended benefit period shall be made under this subsection as if it did not contain subdivision (1) ~~and if~~ the insured unemployment rate in subdivision (2) were:

(A) with respect to benefits for weeks of unemployment beginning before September 25, 1982, five percent (5%); and

(B) with respect to benefits for weeks of unemployment beginning after September 25, 1982, **is at least** six percent (6%).

Any week for which there would otherwise be a state "on" indicator shall continue to be such a week and may not be determined to be a

1 week for which there is a state "off" indicator.

2 (d) There is a state "off" indicator for this state for a week if the
3 commissioner determines, in accordance with the regulations of the
4 United States Secretary of Labor, that for the period consisting of such
5 week and the immediately preceding twelve (12) weeks, ~~the rate of~~
6 ~~insured unemployment (not seasonally adjusted) under this article:~~

7 ~~(1) was less than one hundred twenty percent (120%) of the~~
8 ~~average of such rates for the corresponding 13-week period~~
9 ~~ending in each of the preceding two (2) calendar years; or~~

10 ~~(2) was less than:~~

11 ~~(A) with respect to benefits for weeks of unemployment~~
12 ~~beginning before September 25, 1982, four percent (4%); and~~

13 ~~(B) with respect to benefits for weeks of unemployment~~
14 ~~beginning after September 25, 1982, five percent (5%).~~

15 **the requirements of subsection (c) have not been met.**

16 (e) With respect to benefits for weeks of unemployment beginning
17 after August 13, 1981, "rate of insured unemployment," for purposes
18 of subsections (e) and (f), means the percentage derived by dividing:

19 (1) the average weekly number of individuals filing claims for
20 regular compensation in this state for weeks of unemployment
21 with respect to the most recent 13 consecutive week period (as
22 determined by the board on the basis of this state's reports to the
23 United States Secretary of Labor); by

24 (2) the average monthly employment covered under this article
25 for the first four (4) of the most recent six (6) completed calendar
26 quarters ending before the end of such 13-week period.

27 (f) "Regular benefits" means benefits payable to an individual under
28 this article or under the law of any other state (including benefits
29 payable to federal civilian employees and to ex-servicemen pursuant to
30 5 U.S.C. 8501 through 8525) other than extended benefits. "Additional
31 benefits" means benefits other than extended benefits and which are
32 totally financed by a state payable to exhaustees by reason of
33 conditions of high unemployment or by reason of other special factors
34 under the provisions of any state law. If extended compensation is
35 payable to an individual by this state and additional compensation is
36 payable to ~~him~~ **the individual** for the same week by any state, the
37 individual may elect which of the two (2) types of compensation to
38 claim.

39 (g) "Extended benefits" means benefits (including benefits payable
40 to federal civilian employees and to ex-servicemen pursuant to 5
41 U.S.C. 8501 through 8525) payable to an individual under the
42 provisions of this article for weeks of unemployment in the individual's

"eligibility period". Pursuant to Section 3304 of the Internal Revenue Code extended benefits are not payable to interstate claimants filing claims in an agent state which is not in an extended benefit period, against the liable state of Indiana when the state of Indiana is in an extended benefit period. This prohibition does not apply to the first two (2) weeks claimed that would, but for this prohibition, otherwise be payable. However, only one such two (2) week period will be granted on an extended claim. Notwithstanding any other provisions of this chapter, with respect to benefits for weeks of unemployment beginning after October 31, 1981, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that the individual would, but for this clause, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced (but not below zero) by the product of the number of weeks for which the individual received any amounts as trade readjustment allowances within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.

(h) "Eligibility period" of an individual means the period consisting of the weeks in the individual's benefit period which begin in an extended benefit period and, if the individual's benefit period ends within such extended benefit period, any weeks thereafter which begin in such extended benefit period.

(i) "Exhaustee" means an individual who, with respect to any week of unemployment in the individual's eligibility period:

(1) has received, prior to such week, all of the regular benefits including dependent's allowances that were available to the individual under this article or under the law of any other state (including benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. 8501 through 8525) in the individual's current benefit period that includes such week. However, for the purposes of this subsection, an individual shall be deemed to have received all of the regular benefits that were available to the individual although as a result of a pending appeal with respect to wages that were not considered in the original monetary determination in the individual's benefit period or although a nonmonetary decision denying benefits is pending, the individual may subsequently be determined to be entitled to added regular benefits;

(2) may be entitled to regular benefits with respect to future weeks of unemployment but such benefits are not payable with respect to such week of unemployment by reason of seasonal

1 limitations in any state unemployment insurance law; or
 2 (3) having had the individual's benefit period expire prior to such
 3 week, has no, or insufficient, wages on the basis of which the
 4 individual could establish a new benefit period that would include
 5 such week;

6 and has no right to unemployment benefits or allowances, as the case
 7 may be, under the Railroad Unemployment Insurance Act, the Trade
 8 Act of 1974, the Automotive Products Trade Act of 1965 and such
 9 other federal laws as are specified in regulations issued by the United
 10 States Secretary of Labor, and has not received and is not seeking
 11 unemployment benefits under the unemployment compensation law of
 12 Canada; but if the individual is seeking such benefits and the
 13 appropriate agency finally determines that the individual is not entitled
 14 to benefits under such law, ~~he~~ **the individual** is considered an
 15 exhaustee.

16 (j) "State law" means the unemployment insurance law of any state,
 17 approved by the United States Secretary of Labor under Section 3304
 18 of the Internal Revenue Code.

(B) failure to file the reports;

whichever is the later date.

The board or the board's designee may waive the imposition of rates under this subsection if the board finds the employer's failure to meet the deadlines was for excusable cause. The department shall give written notice to the employer before this additional condition or requirement shall apply.

(d) This subsection applies after December 31, 2009. In addition to the conditions and requirements set forth and provided in subsection (b)(2)(A) and (b)(2)(B), an employer's rate shall not be

less than the applicable rate shown in subsection (e) unless all required contributions and wage reports have been filed within thirty-one (31) days following the computation date and all contributions, penalties, and interest due and owing by the employer or the employer's predecessor for periods before and including the computation date have been paid:

(1) within thirty-one (31) days following the computation date; or

(2) within ten (10) days after the department has given the employer a written notice by registered mail to the employer's last known address of:

(A) the delinquency; or

(B) failure to file the reports;

whichever is the later date.

The board or the board's designee may waive the imposition of rates under this subsection and subsection (e) if the board finds the employer's failure to meet the deadlines was for excusable cause. The department shall give written notice to the employer before this additional condition or requirement shall apply.

(e) For an employer described in subsection (d), the employer's applicable rate for a calendar year is equal to the rate shown on the following chart on the line opposite the applicable schedule A through E as determined in section 3 of this chapter for the calendar year:

Applicable Schedule	Employer Rate
A	8.2%
B	8.1%
C	8.0%
D	6.0%
E	5.4%

~~(d)~~ (f) However, if the employer is the state or a political subdivision of the state or any instrumentality of a state or a political subdivision, or any instrumentality which is wholly owned by the state and one (1) or more other states or political subdivisions, the employer may contribute at a rate of one percent (1%) until it has been subject to this article throughout the thirty-six (36) consecutive calendar months immediately preceding the computation date.

~~(e)~~ (g) On the computation date every employer who had taxable wages in the previous calendar year shall have the employer's experience account charged with the amount determined under the following formula:

STEP ONE: Divide:

1 (A) the employer's taxable wages for the preceding calendar
 2 year; by
 3 (B) the total taxable wages for the preceding calendar year.
 4 STEP TWO: Multiply the quotient determined under STEP ONE
 5 by the total amount of benefits charged to the fund under section
 6 1 of this chapter.

7 ~~(f)~~ **(h)** One (1) percentage point of the rate imposed under
 8 subsection (c), **subsections (d) and (e)**, or the amount of the employer's
 9 payment that is attributable to the increase in the contribution rate,
 10 whichever is less, shall be imposed as a penalty that is due and shall be
 11 deposited upon collection into the special employment and training
 12 services fund established under IC 22-4-25-1. The remainder of the
 13 contributions paid by an employer pursuant to the maximum rate shall
 14 be:

15 (1) considered a contribution for the purposes of this article; and
 16 (2) deposited in the unemployment insurance benefit fund
 17 established under IC 22-4-26.

SECTION 24. IC 22-4-11.5-8, AS AMENDED BY P.L.108-2006, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 8. (a) If the department determines that an employing unit or other person that is not an employer under IC 22-4-7 at the time of the acquisition has acquired an employer's trade or business solely or primarily for the purpose of obtaining a lower employer contribution rate, the employing unit or other person:

(1) may not assume the experience account balance of the predecessor employer for the resources and liabilities of the predecessor employer's experience account that are attributable to the acquisition; and

(2) shall pay the applicable contribution rate as determined under this article.

(b) In determining whether an employing unit or other person acquired a trade or business solely or primarily for the purpose of obtaining a lower employer contribution rate under subsection (a), the department shall consider the following factors:

(1) The cost of acquiring the trade or business.

(2) Whether the employing unit or other person continued the business enterprise of the acquired trade or business, **including whether the predecessor employer is no longer performing the same trade or business and the trade or business is performed by the employing unit to whom the workforce is transferred.** An employing unit is considered to continue the business enterprise if any one (1) of the following applies:

(A) The predecessor employer and the employing unit are corporations that are members of a "controlled group of corporations", as defined in Section 1563 of the Internal Revenue Code (generally parent-subsidiary or brother-sister controlled groups), or would be members if Section 1563(a)(4) and 1563(b) of the Internal Revenue

Code did not apply and if the phrase "more than fifty percent (50%)" were substituted for the phrase "at least eighty percent (80%)" wherever it appears in Section 1563(a) of the Internal Revenue Code.

(B) The predecessor employer and the employing unit are entities that are part of an affiliated group, as defined in Section 1504 of the Internal Revenue Code, except that the ownership percentage in Section 1504(a)(2) of the Internal Revenue Code shall be determined using fifty percent (50%) instead of eighty percent (80%).

(C) A predecessor employer and an employing unit are entities that do not issue stock, either fifty percent (50%) or more of the members of one (1) entity's board of directors (or other governing body) are members of the other entity's board of directors (or other governing body), or the holders of fifty percent (50%) or more of the voting power to select these members are concurrently the holders of fifty percent (50%) or more of that power with respect to the other entity.

(D) Fifty percent (50%) or more of one (1) entity's officers are concurrently officers of the other entity.

(E) Thirty percent (30%) or more of one (1) entity's employees are concurrently employees of the other entity.

(3) The length of time the employing unit or other person continued the business enterprise of the acquired trade or business.

(4) Whether a substantial number of new employees were hired to perform duties unrelated to the business enterprise that the trade or business conducted before the trade or business was acquired.

(5) Whether the predecessor employer and the employing unit are united by factors of control, operation, or use.

(6) Whether a new employing unit is being created solely to obtain a lower contribution rate.

(c) Any written determination made by the department is conclusive and binding on the employing unit or other person, unless the employing unit or other person files a written protest with the department setting forth all reasons for the protest. A protest under this section must be filed not later than fifteen (15) days after the date the department sends the initial determination to the employing unit or other person. The protest shall be heard and determined under this section and IC 22-4-32-1 through IC 22-4-32-15. The department and

the employing unit or other person shall be parties to the hearing before the liability administrative law judge and are entitled to receive copies of all pleadings and the decision.

SECTION 25. IC 22-4-12-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 2. (a) With respect to initial claims filed for any week beginning on and after July 6, 1980; and before July 7, 1985; each eligible individual who is totally unemployed (as defined in IC 22-4-3-1) in any week in the individual's benefit period shall be paid for the week, if properly claimed; benefits at the rate of four and three-tenths percent (4.3%) of the individual's wage credits in the calendar quarter during the individual's base period in which the wage credits were highest. However, the weekly benefit amount may not exceed:

- (1) eighty-four dollars (\$84) if the eligible and qualified individual has no dependents;
- (2) ninety-nine dollars (\$99) if the eligible and qualified individual has one (1) dependent;
- (3) one hundred thirteen dollars (\$113) if the eligible and qualified individual has two (2) dependents;
- (4) one hundred twenty-eight dollars (\$128) if the eligible and qualified individual has three (3) dependents; or
- (5) one hundred forty-one dollars (\$141) if the eligible and qualified individual has four (4) or more dependents.

With respect to initial claims filed for any week beginning on and after July 7, 1985; and before July 6, 1986; each eligible individual who is totally unemployed (as defined in IC 22-4-3-1) in any week in the individual's benefit period shall be paid for the week, if properly claimed; benefits at the rate of four and three-tenths percent (4.3%) of the individual's wage credits in the calendar quarter during the individual's base period in which the wage credits were highest. However, the weekly benefit amount may not exceed:

- (1) ninety dollars (\$90) if the eligible and qualified individual has no dependents;
- (2) one hundred six dollars (\$106) if the eligible and qualified individual has one (1) dependent;

With respect to initial claims filed for any week beginning on and

after July 6, 1986, and before July 7, 1991, each eligible individual who is totally unemployed (as defined in IC 22-4-3-1) in any week in the individual's benefit period shall be paid for the week, if properly claimed, benefits at the rate of four and three-tenths percent (4.3%) of the individual's wage credits in the calendar quarter during the individual's base period in which the wage credits were highest. However, the weekly benefit amount may not exceed:

- (1) ninety-six dollars (\$96) if the eligible and qualified individual has no dependents;
- (2) one hundred thirteen dollars (\$113) if the eligible and qualified individual has one (1) dependent;
- (3) one hundred twenty-nine dollars (\$129) if the eligible and qualified individual has two (2) dependents;
- (4) one hundred forty-seven dollars (\$147) if the eligible and qualified individual has three (3) dependents; or
- (5) one hundred sixty-one dollars (\$161) if the eligible and qualified individual has four (4) or more dependents.

With respect to initial claims filed for any week beginning on and after July 7, 1991, benefits shall be paid in accordance with subsections (d) through (k):

For the purpose of this subsection and subsections (e) through (g), the term "dependent" means lawful husband or wife, natural child, adopted child, stepchild, if such stepchild is not receiving aid to dependent children under the welfare program, or child placed in the claimant's home for adoption by an authorized placement agency or a court of law, provided such child is under eighteen (18) years of age and that such dependent claimed has received more than one-half (1/2) the cost of support from the claimant during ninety (90) days (or for duration of relationship, if less) immediately preceding the claimant's benefit year beginning date, but only if such dependent who is the lawful husband or wife is unemployed and currently ineligible for Indiana benefits because of insufficient base period wages. The number and status of dependents shall be determined as of the beginning of the claimant's benefit period and shall not be changed during that benefit period:

With respect to initial claims filed for any week beginning on and after July 6, 1980, the term "dependent" shall include a person with a disability over eighteen (18) years of age who is a child of the claimant and who receives more than one-half (1/2) the cost of his support from the claimant during the ninety (90) day period immediately preceding the claimant's benefit year beginning date. "Child" includes a natural child, an adopted child, a stepchild of claimant, if the stepchild is not

1 receiving aid to dependent children under the welfare program; or a
 2 child placed in the claimant's home for adoption by an authorized
 3 placement agency or a court of law. The term "disabled" means an
 4 individual who by reason of physical or mental defect or infirmity,
 5 whether congenital or acquired by accident, injury, or disease, is totally
 6 or partially prevented from achieving the fullest attainable physical,
 7 social, economic, mental, and vocational participation in the normal
 8 process of living.

9 For the purpose of this subsection, the term "dependent" includes a
 10 child for whom claimant is the court appointed legal guardian.

11 On and after July 6, 1980; and before July 7, 1991, if the weekly
 12 benefit amount is less than forty dollars (\$40); the board, through the
 13 commissioner, shall pay benefits at the rate of forty dollars (\$40) per
 14 week. On and after July 7, 1991, if the weekly benefit amount is less
 15 than fifty dollars (\$50); the board, through the commissioner, shall pay
 16 benefits at the rate of fifty dollars (\$50) per week. If such weekly
 17 benefit amount is not a multiple of one dollar (\$1); it shall be computed
 18 to the next lower multiple of one dollar (\$1).

19 (b) (a) Each eligible individual who is partially or part-totally
 20 unemployed in any week shall be paid with respect to such week a
 21 benefit in an amount equal to ~~his~~ **the individual's** weekly benefit
 22 amount, less ~~his~~ **the individual's** deductible income, if any, for such
 23 week. If such partial benefit is not a multiple of one dollar (\$1), it shall
 24 be computed to the next lower multiple of one dollar (\$1). Except for
 25 an individual who is totally unemployed, an individual who is not
 26 partially or part-totally unemployed is not eligible for any benefit. The
 27 board may prescribe rules governing the payment of such partial
 28 benefits, and may provide, with respect to individuals whose earnings
 29 cannot reasonably be computed on a weekly basis, that such benefits
 30 may be computed and paid on other than a weekly basis. However,
 31 such rules shall secure results reasonably equivalent to those provided
 32 in the analogous provisions of this section.

33 (c) (b) The weekly extended benefit amount payable to an
 34 individual for a week of total unemployment in the individual's
 35 eligibility period shall be an amount equal to the weekly benefit
 36 amount payable to the individual during the individual's applicable
 37 benefit period, prior to any reduction of such weekly benefit amount.

38 (d) With respect to initial claims filed for any week beginning on
 39 and after July 7, 1991; and before July 1, 1995; each eligible individual
 40 who is totally unemployed (as defined in IC 22-4-3-1) in any week in
 41 the individual's benefit period shall be paid for the week, if properly
 42 claimed; benefits at the rate of:

(1) five percent (5%) of the first one thousand dollars (\$1,000) of the individual's wage credits in the calendar quarter during the individual's base period in which the wage credits were highest; and

(2) four percent (4%) of the individual's remaining wage credits in the calendar quarter during the individual's base period in which the wage credits were highest.

However, the weekly benefit amount may not exceed the amount specified in subsections (e) through (i):

(e) With respect to initial claims filed for any week beginning on and after July 7, 1991, and before July 5, 1992, the weekly benefit amount may not exceed:

(1) one hundred sixteen dollars (\$116) if the eligible and qualified individual has no dependents;

(f) (e) Seasonal employers shall keep account of wages paid to seasonal workers within the seasonal period as determined by the department and shall report these wages on a special seasonal quarterly report form provided by the department.

(g) (f) The ~~board~~ **department** shall adopt rules applicable to seasonal employers for determining their normal seasonal period or periods.

SECTION 34. IC 22-4-15-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1. (a) With respect to benefit periods established on and after July 6, 1980, an individual who has voluntarily left the individual's ~~most recent~~ employment without good cause in connection with the work or who was discharged from the individual's ~~most recent~~ employment for just cause is ineligible for waiting period or benefit rights for the week in which the disqualifying separation occurred and until the individual has earned remuneration in employment equal to or exceeding the weekly benefit amount of the individual's claim in each of eight (8) weeks. If the qualification amount has not been earned at the expiration of an individual's benefit period, the unearned amount shall be carried forward to an extended benefit period or to the benefit period of a subsequent claim.

(b) When it has been determined that an individual has been separated from employment under disqualifying conditions as outlined in this section, the maximum benefit amount of the individual's current claim, as initially determined, shall be reduced by twenty-five percent (25%). If twenty-five percent (25%) of the maximum benefit amount is not an even dollar amount, the amount of such reduction will be raised to the next higher even dollar amount. ~~The maximum benefit amount may not be reduced by more than twenty-five percent (25%) during any benefit period or extended benefit period.~~

(c) The disqualifications provided in this section shall be subject to the following modifications:

(1) An individual shall not be subject to disqualification because of separation from the individual's employment if:

(A) the individual left to accept with another employer previously secured permanent full-time work which offered reasonable expectation of continued covered employment and betterment of wages or working conditions and thereafter was employed on said job;

(B) having been simultaneously employed by two (2) employers, the individual leaves one (1) such employer voluntarily without good cause in connection with the work but remains in employment with the second employer with a

- 1 reasonable expectation of continued employment; or
2 (C) the individual left to accept recall made by a base period
3 employer.
- 4 (2) An individual whose unemployment is the result of medically
5 substantiated physical disability and who is involuntarily
6 unemployed after having made reasonable efforts to maintain the
7 employment relationship shall not be subject to disqualification
8 under this section for such separation.
- 9 (3) An individual who left work to enter the armed forces of the
10 United States shall not be subject to disqualification under this
11 section for such leaving of work.
- 12 (4) An individual whose employment is terminated under the
13 compulsory retirement provision of a collective bargaining
14 agreement to which the employer is a party, or under any other
15 plan, system, or program, public or private, providing for
16 compulsory retirement and who is otherwise eligible shall not be
17 deemed to have left the individual's work voluntarily without
18 good cause in connection with the work. However, if such
19 individual subsequently becomes reemployed and thereafter
20 voluntarily leaves work without good cause in connection with the
21 work, the individual shall be deemed ineligible as outlined in this
22 section.
- 23 (5) An otherwise eligible individual shall not be denied benefits
24 for any week because the individual is in training approved under
25 Section 236(a)(1) of the Trade Act of 1974, nor shall the
26 individual be denied benefits by reason of leaving work to enter
27 such training, provided the work left is not suitable employment,
28 or because of the application to any week in training of provisions
29 in this law (or any applicable federal unemployment
30 compensation law), relating to availability for work, active search
31 for work, or refusal to accept work. For purposes of this
32 subdivision, the term "suitable employment" means with respect
33 to an individual, work of a substantially equal or higher skill level
34 than the individual's past adversely affected employment (as
35 defined for purposes of the Trade Act of 1974), and wages for
36 such work at not less than eighty percent (80%) of the individual's
37 average weekly wage as determined for the purposes of the Trade
38 Act of 1974.
- 39 (6) An individual is not subject to disqualification because of
40 separation from the individual's employment if:
- 41 (A) the employment was outside the individual's labor market;
42 (B) the individual left to accept previously secured full-time

1 work with an employer in the individual's labor market; and
 2 (C) the individual actually became employed with the
 3 employer in the individual's labor market.

4 (7) An individual who, but for the voluntary separation to move
 5 to another labor market to join a spouse who had moved to that
 6 labor market, shall not be disqualified for that voluntary
 7 separation, if the individual is otherwise eligible for benefits.
 8 Benefits paid to the spouse whose eligibility is established under
 9 this subdivision shall not be charged against the employer from
 10 whom the spouse voluntarily separated.

11 (8) An individual shall not be subject to disqualification if the
 12 individual voluntarily left employment or was discharged due to
 13 circumstances directly caused by domestic or family violence (as
 14 defined in IC 31-9-2-42). An individual who may be entitled to
 15 benefits based on this modification may apply to the office of the
 16 attorney general under IC 5-26.5 to have an address designated by
 17 the office of the attorney general to serve as the individual's
 18 address for purposes of this article.

19 As used in this subsection, "labor market" means the area surrounding
 20 an individual's permanent residence, outside which the individual
 21 cannot reasonably commute on a daily basis. In determining whether
 22 an individual can reasonably commute under this subdivision, the
 23 department shall consider the nature of the individual's job.

24 (d) "Discharge for just cause" as used in this section is defined to
 25 include but not be limited to:

26 (1) separation initiated by an employer for falsification of an
 27 employment application to obtain employment through
 28 subterfuge;

29 (2) knowing violation of a reasonable and uniformly enforced rule
 30 of an employer, **including a rule regarding attendance;**

31 (3) **if an employer does not have a rule regarding attendance,**
 32 **an individual's** unsatisfactory attendance, if the individual cannot
 33 show good cause for absences or tardiness;

34 (4) damaging the employer's property through willful negligence;

35 (5) refusing to obey instructions;

36 (6) reporting to work under the influence of alcohol or drugs or
 37 consuming alcohol or drugs on employer's premises during
 38 working hours;

39 (7) conduct endangering safety of self or coworkers; ~~or~~

40 (8) incarceration in jail following conviction of a misdemeanor or
 41 felony by a court of competent jurisdiction; ~~or for~~

42 (9) any breach of duty in connection with work which is

reasonably owed an employer by an employee.

(e) To verify that domestic or family violence has occurred, an individual who applies for benefits under subsection (c)(8) shall provide one (1) of the following:

(1) A report of a law enforcement agency (as defined in IC 10-13-3-10).

(2) A protection order issued under IC 34-26-5.

(3) A foreign protection order (as defined in IC 34-6-2-48.5).

(4) An affidavit from a domestic violence service provider verifying services provided to the individual by the domestic violence service provider.

(f) An employer's failure to provide a reason for termination at the time of discharge shall not prevent a finding of discharge for just cause if the individual is aware or should be aware of the reason for termination.

SECTION 35. IC 22-4-15-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 2. (a) With respect to benefit periods established on and after July 3, 1977, an individual is ineligible for waiting period or benefit rights, or extended benefit rights, if the department finds that, being totally, partially, or part-totally unemployed at the time when the work offer is effective or when the individual is directed to apply for work, the individual fails without good cause:

(1) to apply for available, suitable work when directed by the commissioner, the deputy, or an authorized representative of the department of workforce development or the United States training and employment service;

(2) to accept, at any time after the individual is notified of a separation, suitable work when found for and offered to the individual by the commissioner, the deputy, or an authorized representative of the department of workforce development or the United States training and employment service, or an employment unit; or

(3) to return to the individual's customary self-employment when directed by the commissioner or the deputy.

(b) With respect to benefit periods established on and after July 6, 1980, the ineligibility shall continue for the week in which the failure occurs and until the individual earns remuneration in employment equal to or exceeding the weekly benefit amount of the individual's claim in each of eight (8) weeks. If the qualification amount has not been earned at the expiration of an individual's benefit period, the unearned amount shall be carried forward to an extended benefit period

or to the benefit period of a subsequent claim.

(c) With respect to extended benefit periods established on and after July 5, 1981, the ineligibility shall continue for the week in which the failure occurs and until the individual earns remuneration in employment equal to or exceeding the weekly benefit amount of the individual's claim in each of four (4) weeks.

(d) If an individual failed to apply for or accept suitable work as outlined in this section, the maximum benefit amount of the individual's current claim, as initially determined, shall be reduced by twenty-five percent (25%). If twenty-five percent (25%) of the maximum benefit amount is not an even dollar amount, the amount of such reduction shall be raised to the next higher even dollar amount. ~~The maximum benefit amount of the individual's current claim may not be reduced by more than twenty-five percent (25%) during any benefit period or extended benefit period.~~

(e) In determining whether or not any such work is suitable for an individual, the department shall consider:

- (1) the degree of risk involved to such individual's health, safety, and morals;
- (2) the individual's physical fitness and prior training and experience;
- (3) the individual's length of unemployment and prospects for securing local work in the individual's customary occupation; and
- (4) the distance of the available work from the individual's residence.

However, work under substantially the same terms and conditions under which the individual was employed by a base-period employer, which is within the individual's prior training and experience and physical capacity to perform, shall be considered to be suitable work unless the claimant has made a bona fide change in residence which makes such offered work unsuitable to the individual because of the distance involved. **During the first four (4) consecutive weeks of claiming benefits, work is not considered unsuitable solely because the work pays not less than eighty percent (80%) of the individual's prior weekly wage. During the fifth through the twelfth consecutive week of claiming benefits, work shall not be considered unsuitable solely because the work pays not less than sixty percent (60%) of the individual's prior weekly wage. After twelve (12) consecutive weeks of claiming benefits, work shall not be considered unsuitable solely because the work pays not less than fifty percent (50%) of the individual's prior weekly wage.** For an individual who is subject to section 1(c)(8) of this chapter, the determination of suitable work for

1 the individual must reasonably accommodate the individual's need to
 2 address the physical, psychological, legal, and other effects of domestic
 3 or family violence.

4 (f) Notwithstanding any other provisions of this article, no work
 5 shall be considered suitable and benefits shall not be denied under this
 6 article to any otherwise eligible individual for refusing to accept new
 7 work under any of the following conditions:

8 (1) If the position offered is vacant due directly to a strike,
 9 lockout, or other labor dispute.

10 (2) If the remuneration, hours, or other conditions of the work
 11 offered are substantially less favorable to the individual than
 12 those prevailing for similar work in the locality.

13 (3) If as a condition of being employed the individual would be
 14 required to join a company union or to resign from or refrain from
 15 joining a bona fide labor organization.

16 (4) If as a condition of being employed the individual would be
 17 required to discontinue training into which the individual had
 18 entered with the approval of the department.

19 (g) Notwithstanding subsection (e), with respect to extended benefit
 20 periods established on and after July 5, 1981, "suitable work" means
 21 any work which is within an individual's capabilities. However, if the
 22 individual furnishes evidence satisfactory to the department that the
 23 individual's prospects for obtaining work in the individual's customary
 24 occupation within a reasonably short period are good, the
 25 determination of whether any work is suitable work shall be made as
 26 provided in subsection (e).

27 (h) With respect to extended benefit periods established on and after
 28 July 5, 1981, no work shall be considered suitable and extended
 29 benefits shall not be denied under this article to any otherwise eligible
 30 individual for refusing to accept new work under any of the following
 31 conditions:

32 (1) If the gross average weekly remuneration payable to the
 33 individual for the position would not exceed the sum of:

34 (A) the individual's average weekly benefit amount for the
 35 individual's benefit year; plus

36 (B) the amount (if any) of supplemental unemployment
 37 compensation benefits (as defined in Section 501(c)(17)(D) of
 38 the Internal Revenue Code) payable to the individual for such
 39 week.

40 (2) If the position was not offered to the individual in writing or
 41 was not listed with the department of workforce development.

42 (3) If such failure would not result in a denial of compensation

under the provisions of this article to the extent that such provisions are not inconsistent with the applicable federal law.

(4) If the position pays wages less than the higher of:

(A) the minimum wage provided by 29 U.S.C. 206(a)(1) (the Fair Labor Standards Act of 1938), without regard to any exemption; or

(B) the state minimum wage (IC 22-2-2).

(i) The department of workforce development shall refer individuals eligible for extended benefits to any suitable work (as defined in subsection (g)) to which subsection (h) would not apply.

SECTION 36. IC 22-4-15-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 4. (a) **Subject to IC 22-4-14-4**, an individual shall be ineligible for waiting period or benefit rights for any week with respect to which the individual receives, is receiving, or has received payments equal to or exceeding **his the individual's** weekly benefit amount in the form of:

(1) deductible income as defined and applied in IC 22-4-5-1 and IC 22-4-5-2; or

(2) any pension, retirement or annuity payments, under any plan of an employer whereby the employer contributes a portion or all of the money. This disqualification shall apply only if some or all of the benefits otherwise payable are chargeable to the experience or reimbursable account of such employer, or would have been chargeable except for the application of this chapter. For the purposes of this subdivision, ~~(2)~~; federal old age, survivors and disability insurance benefits are not considered payments under a plan of an employer whereby the employer maintains the plan or contributes a portion or all of the money to the extent required by federal law.

(b) If the payments described in subsection (a) are less than **his the individual's** weekly benefit amount, an otherwise eligible individual shall not be ineligible and shall be entitled to receive for such week benefits reduced by the amount of such payments.

(c) This section does not preclude an individual from delaying a claim to pension, retirement, or annuity payments until the individual has received the benefits to which the individual would otherwise be eligible under this chapter. Weekly benefits received before the date the individual elects to retire shall not be reduced by any pension, retirement, or annuity payments received on or after the date the individual elects to retire.

SECTION 37. IC 22-4-15-6.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 6.1. (a)

Notwithstanding any other provisions of this article, all of the individual's wage credits established prior to the day upon which the individual was discharged for gross misconduct in connection with work are canceled.

(b) As used in this section, "gross misconduct" ~~includes~~ means any of the following, as determined by the department by a preponderance of the evidence:

(1) A felony. ~~or~~

(2) A Class A misdemeanor. ~~committed in connection with work but only if the felony or misdemeanor is admitted by the individual or has resulted in a conviction.~~

(3) Working, or reporting for work, in a state of intoxication caused by the individual's use of alcohol or a controlled substance (as defined in IC 35-48-1-9).

(4) Battery on another individual while on the employer's property or during working hours.

(5) Theft or embezzlement.

(6) Fraud.

(c) An employer:

(1) has the burden of proving by a preponderance of the evidence that a discharged employee's conduct was gross misconduct; and

(2) may present evidence that the employer filled or maintained the position or job held by the discharged employee after the employee's discharge.

(d) It is not a defense under this section that a discharged employee's conduct did not result in:

(1) a prosecution for an offense; or

(2) a conviction of an offense.

SECTION 38. IC 22-4-17-2, AS AMENDED BY P.L.108-2006, SECTION 29, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 2. (a) When an individual files an initial claim, the department shall promptly make a determination of the individual's status as an insured worker in a form prescribed by the department. A written notice of the determination of insured status shall be furnished to the individual promptly. Each such determination shall be based on and include a written statement showing the amount of wages paid to the individual for insured work by each employer during the individual's base period and shall include a finding as to whether such wages meet the requirements for the individual to be an insured worker, and, if so, the week ending date of the first week of the individual's benefit period, the individual's weekly benefit amount, and

the maximum amount of benefits that may be paid to the individual for weeks of unemployment in the individual's benefit period. For the individual who is not insured, the notice shall include the reason for the determination. Unless the individual, within ten (10) days after such determination was mailed to the individual's last known address, or otherwise delivered to the individual, asks a hearing thereon before an administrative law judge, such determination shall be final and benefits shall be paid or denied in accordance therewith.

(b) The department shall promptly furnish each employer in the base period whose experience or reimbursable account is potentially chargeable with benefits to be paid to such individual with a notice in writing of the employer's benefit liability. ~~Such~~ **The** notice shall contain the date, the name and Social Security account number of the individual, the ending date of the individual's base period, ~~and~~ the week ending date of the first week of the individual's benefit period, ~~Such~~ **the time by which the employer is required to respond to the notice, and complete information about the rules of evidence and standards of proof that the department will apply to determine the validity of a claim, if an employer disputes the claim.** The notice shall further contain information as to the proportion of benefits chargeable to the employer's experience or reimbursable account in ratio to the earnings of such individual from such employer. **An employer in an individual's base period is entitled to ask for a hearing concerning an individual's eligibility to receive benefits not later than ten (10) days after the date the notice of the benefit liability was mailed to the employer's last known address or otherwise delivered to the employer.** Unless ~~the~~ **an** employer ~~within ten (10) days after such notice of benefit liability was mailed to the employer's last known address, or otherwise delivered to the employer,~~ asks a hearing thereon before an administrative law judge, such determination shall be final and benefits paid shall be charged in accordance therewith.

(c) An employing unit, including an employer, having knowledge of any facts which may affect an individual's eligibility or right to waiting period credits or benefits, shall notify the department of such facts within ten (10) days after the mailing of notice that a former employee has filed an initial or additional claim for benefits on a form prescribed by the department.

(d) If, after the department determines that additional information is necessary to make a determination under this chapter:

(1) the department makes a request in writing for additional

information from an employing unit, including an employer,
on a form prescribed by the department; and

(2) the employing unit fails to respond within ten (10) days
after the date the request is delivered to the employing unit;
the department shall make the determination with the information
available.

(e) If:

(1) an employer subsequently obtains a determination by the
department that the employee is not eligible for benefits; and

(2) the determination is at least in part based on information
that the department requested from the employer under
subsection (d), but which the employer failed to provide
within ten (10) days after the department's request was
delivered to the employer;

the employer's experience account shall be charged an amount
equal to fifty percent (50%) of the benefits paid to the employee to
which the employee was not entitled.

(f) If:

(1) the employer's experience account is charged under
subsection (e); and

(2) the employee repays all or a part of the benefits on which
the charge under subsection (e) is based;

the employer shall receive a credit to the employer's experience
account that is equal to the amount of the employee's repayment
up to the amount charged to the employer's experience account
under subsection (e).

~~(d)~~ (g) In addition to the foregoing determination of insured status
by the department, the deputy shall, throughout the benefit period,
determine the claimant's eligibility with respect to each week for which
the claimant claims waiting period credit or benefit rights, the validity
of the claimant's claim therefor, and the cause for which the claimant
left the claimant's work, or may refer such claim to an administrative
law judge who shall make the initial determination with respect thereto
in accordance with the procedure in ~~IC 22-4-17-3~~. **section 3 of this
chapter. Before a determination is made under this subsection,
each employer in the base period whose experience or
reimbursable account is potentially chargeable with benefits to be
paid to the claimant must receive notice of the employer's potential
benefit liability, the time by which the employer is required to
respond to the notice, and complete information about the rules of
evidence and standards of proof that the deputy will apply to
determine the validity of the claim.**

~~(e)~~ **(h)** In cases where the claimant's benefit eligibility or disqualification is disputed, the department shall promptly notify the claimant and the employer or employers directly involved or connected with the issue raised as to the validity of such claim, the eligibility of the claimant for waiting period credit or benefits, or the imposition of a disqualification period or penalty, or the denial thereof, and of the cause for which the claimant left the claimant's work, of such determination and the reasons thereof.

(i) Except as otherwise hereinafter provided in this ~~subsection~~ **section** regarding parties located in Alaska, Hawaii, and Puerto Rico, unless the claimant or such employer, within ten (10) days after ~~such~~ **the** notification **required by subsection (g)** was mailed to the claimant's or the employer's last known address or otherwise delivered to the claimant or the employer, asks **for** a hearing before an administrative law judge thereon, such decision shall be final and benefits shall be paid or denied in accordance therewith. ~~With respect to~~

(j) ~~For a~~ notice of disputed administrative determination or decision mailed or otherwise delivered to the claimant or employer either of whom is located in Alaska, Hawaii, or Puerto Rico, unless ~~such the~~ claimant or employer, within fifteen (15) days after ~~such the~~ notification **required by subsection (g)** was mailed to the claimant's or employer's last known address or otherwise delivered to the claimant or employer, asks **for** a hearing before an administrative law judge thereon, such decision shall be final and benefits shall be paid or denied in accordance therewith.

(k) If ~~such a claimant or an employer requests a~~ hearing is ~~desired, under subsection (i) or (j),~~ the request therefor shall be filed with the department in writing within the prescribed periods as above set forth in this ~~subsection~~ **section** and shall be in such form as the department may prescribe. In the event a hearing is requested by an employer or the department after it has been administratively determined that benefits should be allowed to a claimant, entitled benefits shall continue to be paid to said claimant unless said administrative determination has been reversed by a due process hearing. Benefits with respect to any week not in dispute shall be paid promptly regardless of any appeal.

~~(f)~~ **(l)** A person may not participate on behalf of the department in any case in which the person is an interested party.

~~(g)~~ **(m)** Solely on the ground of obvious administrative error appearing on the face of an original determination, and within the benefit year of the affected claims, the commissioner, or a

representative authorized by the commissioner to act in the commissioner's behalf, may reconsider and direct the deputy to revise the original determination so as to correct the obvious error appearing therein. Time for filing an appeal and requesting a hearing before an administrative law judge regarding the determinations handed down pursuant to this subsection shall begin on the date following the date of revision of the original determination and shall be filed with the commissioner in writing within the prescribed periods as above set forth in subsection (c).

~~(h)~~ (n) Notice to the employer and the claimant that the determination of the department is final if a hearing is not requested shall be prominently displayed on the notice of the determination which is sent to the employer and the claimant.

~~(i)~~ (o) If an allegation of the applicability of IC 22-4-15-1(c)(8) is made by the individual at the time of the claim for benefits, the department shall not notify the employer of the claimant's current address or physical location.

SECTION 39. IC 22-4-17-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 3. (a) Unless such request for hearing is withdrawn, an administrative law judge, after **providing the notice required under section 6 of this chapter and** affording the parties a reasonable opportunity for fair hearing, shall affirm, modify, or reverse the findings of fact and decision of the deputy.

(b) The parties shall be duly notified of ~~such~~ **the decision made under subsection (a)** and the reasons therefor, which shall be deemed to be the final decision of the review board, unless within fifteen (15) days after the date of notification or mailing of such decision, an appeal is taken by the commissioner or by any party adversely affected by such decision to the review board.

 28 before either an administrative law judge or the review board may be
 29 transferred to the board for determination at the direction of the board.
 30 If the review board considers it advisable to procure additional

39 SECTION 54. IC 22-4-32-23 IS AMENDED TO READ AS
40 FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 23. (a) As used in this
41 section:

- 42 (1) "Dissolution" refers to dissolution of a corporation under

IC 23-1-45 through IC 23-1-48 **or dissolution under Indiana law of an association, a joint venture, an estate, a partnership, a limited liability partnership, a limited liability company, a joint stock company, or an insurance company (referred to as a "noncorporate entity" in this section).**

(2) "Liquidation" means the operation or act of winding up a corporation's **or entity's** affairs, when normal business activities have ceased, by settling its debts and realizing upon and distributing its assets.

(3) "Withdrawal" refers to the withdrawal of a foreign corporation from Indiana under IC 23-1-50.

(b) The officers and directors of a corporation effecting dissolution, liquidation, or withdrawal **or the appropriate individuals of a noncorporate entity** shall do the following:

(1) File all necessary documents with the department in a timely manner as required by this article.

(2) Make all payments of contributions ~~and skills 2016 training assessments under IC 22-4-10.5~~ to the department in a timely manner as required by this article.

(3) File with the department a form of notification within thirty (30) days of the adoption of a resolution or plan. The form of notification shall be prescribed by the department and may require information concerning:

(A) the corporation's **or noncorporate entity's** assets;

(B) the corporation's **or noncorporate entity's** liabilities;

(C) details of the plan or resolution;

(D) the names and addresses of corporate officers, directors, and shareholders **or the noncorporate entity's owners, members, or trustees;**

(E) a copy of the minutes of the shareholders' meeting **or the noncorporate entity's meeting** at which the plan or resolution was formally adopted; and

(F) such other information as the board may require.

The commissioner may accept, in lieu of the department's form of notification, a copy of Form 966 that the corporation filed with the Internal Revenue Service.

(c) Unless a clearance is issued under subsection (g), for a period of one (1) year following the filing of the form of notification with the department, the corporate officers and directors **of a corporation and the chief executive of a noncorporate entity** remain personally liable, subject to IC 23-1-35-1(e), for any acts or omissions that result in the distribution of corporate **or noncorporate entity** assets in violation of

the interests of the state. An officer or director **of a corporation or a chief executive of a noncorporate entity** held liable for an unlawful distribution under this subsection is entitled to contribution:

(1) from every other director who voted for or assented to the distribution, subject to IC 23-1-35-1(e); and

(2) from each shareholder, **owner, member, or trustee** for the amount the shareholder, **owner, member, or trustee** accepted.

(d) The corporation's officers' and directors' **and the noncorporate entity's chief executive's** personal liability includes all contributions, ~~skills 2016 training assessments~~, penalties, interest, and fees associated with the collection of the liability due the department. In addition to the penalties provided elsewhere in this article, a penalty of up to thirty percent (30%) of the unpaid contributions and skills 2016 training assessments may be imposed on the corporate officers and directors **and the noncorporate entity's chief executive** for failure to take reasonable steps to set aside corporate assets to meet the liability due the department.

(e) If the department fails to begin a collection action against a corporate officer or director **or a noncorporate entity's chief executive** within one (1) year after the filing of a completed form of notification with the department, the personal liability of the corporate officer or director **or noncorporate entity's chief executive** expires. The filing of a substantially blank form of notification or a form containing misrepresentation of material facts does not constitute filing a form of notification for the purpose of determining the period of personal liability of the officers and directors of the corporation **or the chief executive of the noncorporate entity**.

(f) In addition to the remedies contained in this section, the department is entitled to pursue corporate assets that have been distributed to shareholders **or noncorporate entity assets that have been distributed to owners, members, or beneficiaries**, in violation of the interests of the state. The election to pursue one (1) remedy does not foreclose the state's option to pursue other legal remedies.

(g) The department may issue a clearance to a corporation **or noncorporate entity** effecting dissolution, liquidation, or withdrawal if:

(1) the:

(A) officers and directors of the corporation have; **or**

(B) **chief executive of the noncorporate entity has;**

met the requirements of subsection (b); and

(2) request for the clearance is made in writing by the officers and directors of the corporation **or chief executive of the**

noncorporate entity within thirty (30) days after the filing of the form of notification with the department.

(h) The issuance of a clearance by the department under subsection (g) releases the officers and directors **of a corporation and the chief executive of a noncorporate entity** from personal liability under this section.
